

Mechanical Fitter

Workshop Assistant – suit fitter wanting to develop hydraulic knowledge

Welding experience preferential

Specialised Hydraulic earthmoving attachments

Rocklea Location

Good Conditions and Pay

Work within a professional, reliable and long-term Team

Want a long-term future learning from the best in the industry? Qld Rock Breakers continues to grow, and we need to bring through the next generation of people.

About You:

You like to keep busy, and enjoy the buzz of achieving great work in a fast-paced environment. Not afraid to get your hands dirty, you want to become the best in your field of work which is shown also through your high attention to detail. A mechanical interest is a must, and welding experience an advantage. Forklift license required. As we will be investing in growing your knowledge, you will have a strong work ethic and a stable employment history.

We are offering:

- Good Remuneration for top quality and productive people
- Excellent Work Environment
- A stable company that has been in this business for over 20 years
- You'll be a Person, not just a number, working with some of the best people in the industry

About the role:

Due to continued growth, we require a person to be dedicated to preparing our hydraulic attachments for delivery. You will take ownership of ensuring products are ready for despatch within required time frames and up to our quality standards.

Only people with proven long-term stability and who are productivity and quality focussed need apply.

Qld Rock Breakers is a fast-moving company with top class products and service levels we are proud of. Check out www.rdw.com.au under Qld Rock Breakers for more details on our business. If successful you will be part of an established Team where people enjoy coming to work!

If this sounds like you, please address the above points in a Cover Letter and "Apply Now" or email an up to date resume to fredc@rdw.com.au. Phone 07-3373 2966.

NO RECRUITMENT COMPANIES PLEASE.
